It is supposed some income will be derived from examination fees which may perhaps be more than what will cover the amount required on accou the above establishment But whether this new tass cannot be undertaken by the Local Exam its 20n being strengthened, if necessary, point for consideration and orders

2/12/12

The School Leaving Certif is now only a local concern and since there is already an organised office — the Local Exam's office — well versed in all the details there seems to be no necessity for the creation of the I.G.E. Asst Supdt Perhaps a clerk on Rs 20-1-25 may be added to the ministerial staff & the contingent part increased by Rs 5. Thus by adding a recurring expre of Rs 360 per annum the whole thing can perhaps be well managed. Nothing more seems necessary

This is an examination to be conducted by a Board of which the Inspr Genl is the President and the Asst to the IGE, the Secretary. The establishment asked for appears to be none too extravagant and has to be attached to the IGE's office, at any rate at present. The proposed establishment may be sanctd.
